■ 1990 ■ 2000 ■ 2005

The U.S. Hispanic population has soared to 12% of the U.S. total. The importance of this explosion in the Hispanic population is pertinent both in sheer numbers and economic impact. Growth indicators project that by the year 2015, Hispanics will be the largest minority group in the America.

The McAllen MSA has the 15th largest Hispanic population in the U.S., totaling 503,100. Hispanics comprise 88.3% of McAllen MSA's population. Figure 1 above presents the growth in Hispanic population among the top 10 counties in the U. S. The Rio Grande Valley includes Cameron, Hidalgo, Starr and Willacy counties. On the basis of this information, the RGV is now the 6th largest Hispanic market in America. If just the border communities on the Mexico side were included, this RGV would rise to number 2. n

Growth in selected cities within the McAllen MSA is presented in Table 2. It is clear that growth for this decade bodes well for each of the surrounding communities.
